Brooke Carolyn Harmer Brooke is the 5th of 5 children. She is the only member of her family to be born in Utah. Her favorite scripture story is found in the New Testament. As the Lord and his disciples are crossing the sea, a storm blows in. With great concern, his disciples awake the Savior, and he responds to the elements by saying: "Peace, be still"! Her favorite primary song is "Sing your way home". Brooke loves music, including singing and dancing. She also enjoys soccer and other sports and games. She is an excellent card player and loves to play with her family. Brooke is very obedient and a sweet, sensitive member of her home. When her big brother, Jason, left on a mission last summer, she was the only member of her family (besides her mom) to cry when he left. Brooke loves her entire family! She is especially grateful to her older and one and only sister, Chloe, who she really looks up to. Brooke is grateful to be able to be baptized today.

Josh is the youngest of three boys in his family by 10.5 years! It took his family many years to have him. On the day his parents were searching for a name for him, the name Joshua appeared every where in magazines and the newspaper - so they chose the name Joshua for him. It was Joshua who led the Israelites into the promise land. Many people tell Josh that he is a strong negotiator and leader. He cares for others to have homes and good health. He likes to help by giving money to the Ronald McDonald House. Like most kids, he loves the iPad and playing video games. He also loves animals and has to pet dogs wherever he sees them. During the summer, he likes to take the neighbors dogs on walks with his own dog. Josh wants to follow Jesus by getting baptized and hopes the Holy Ghost will help comfort his anxiety and guide him on the straight and narrow path.
